NK1 John Iler Sr. 2) was born in Cumberland County. Pennsylvania on August 3. 1792 the son of Jacob NK and Barbara NK* Eyler. He migrated to Ohio about 1812 and settled at Newark. Licking County where on May 22.1813 he married Magdelena Switzer. On August 1. 1813 he enlisted in the Military Service of the United States in the War of 1812. He served in Capt. John Bartholomew's Company. While in the military he was listed on the rolls as John Oiler which created a problem in later years when applying for Bounty Land and Pension. The follwing document is an affidavit by two soldiers who served with him.

State of Ohio
Licking County

On this 25 day of March 1854 personally appeared before me Danial A.b. Klene a Justus of the Peace in the said County and State. William Horn and Henry B. Trout who first being by me duly sworn deposetts and say that they are aquainted with John Iler of Seneca Co. Ohio an applicant for Bounty Lands under the act of March 3. 1855 whose claim has been suspended. We were well aquainted with said John Iler at the time he was drafted into the service of the United States in the War of 1812.

Said John Iler was drafted at Newark. Licking County Ohio into Capt. Bartholowem's Company Ohio Militia and joined to Major Wilsons and Col. Williamsons Divisons at Frankleton Ohio and marched from there to Upper Sandusky Ohio at which place he was discharged by Gov. Meigs.

Said John Iler was in active service in Said Capt. Bartholowem's Company for the term of seventeen days or more and we further say . that the said John Iler of Seneca County is the same man and we cannot be mistaken in his identity but that we believe he was called John Oiler at that time and the said Henry B. Trout on his oath says that he called the roll of Said Capt. Bartholowem's Company and honestly believes the said John Iler was called John Oiler on the muster roll of said Company. we were both drafted into the same company at the same time with the said John Iler and were in the same mess with him and recollect him and the circumstances of his service and discharge well. He was discharged at the same time with us and returned with us to Licking Co. Ohio.

In testimony there of we have set our hand and seal.

William Horn
Henry Trout

Ohio an applicant for Bounty Lands under the act of March 3. 1855 whose claim has been suspended. We were well aquainted with said John Iler at the time he was drafted into the service of the United States in the War of 1812.

Said John Iler was drafted at Newark. Licking County Ohio into Capt. Bartholowem`s Company Ohio Militia and joined to Major Wilsons and Col. Williamsons Divisons at Frankleton Ohio and marched from there to Upper Sandusky Ohio at which place he was discharged by Gov. Meigs.

Said John Iler was in active service in Said Capt. Bartholowem`s Company for the term of seventeen days or more and we further say . that the said John Iler of Seneca County is the same man and we cannot be mistaken in his identity but that we believe he was called John Oiler at that time and the said Henry B. Trout on his oath says that he called the roll of Said Capt. Bartholowem`s Company and honestly believes the said John Iler was called John Oiler on the muster roll of said Company. we were both drafted into the same company at the same time with the said John Iler and were in the same mess with him and recollect him and the circumstances of his service and discharge well. He was discharged at the same time with us and returned with us to Licking Co. Ohio.

In testimony there of we have set our hand and seal.

Dear and respected wife and children I now seat myself to pen you these few in answer to your kind and long looked for letter which came on hand on the twenty day of april. We arived in Chatanooga this day noon and stoping here over night. Dear wife my arm is very painful but I think it will soon get better. It looks a great deal better this evening. We are marching now everyday this makes seventeen days we have been on a march. We have been on Lookout Mountains two days and its not out of sight yet. I think its the bigest mountain I ever saw and how our men got the rebies out I cant see for its the bigest mountain I ever saw. Its over four hundred feet high. We had a fine time geting up to the top of it. Some of the boys fazed out before we was half over it. We are marching now every day nigher the rebs I guess it wont be long before we give them Hail Columbia. I have not drawn my teem yet. I have to shoulder a muske the same as another man. By what I can see there wont be no chance of me geting a teem because there is so many teems a lowed to a Regt. As soon as I can send my money home I will. We have not drawed our pay yet but we are expecting it very soon. So you must content yourself as well as you can for a little while longer. We cant get enough to keep us in tobacco nor nothing else. I should like to be along with you a few days but that is all play out. I think we shall all be at home very soon now for I think this thing will soon wind up. Keep in good spirits and dont get discouraged. I shall have to bring this to a close for it is time to creep in our dog tents and go to bed. It is now bed time so I shall have to bring this to a close. With my best wishes to your and the children. Here is a ring that was maid to day in this camp so I will send it for my dear little baby. State of Pennsylvania
Cumberland County,

1832

On this fifteenth day of August one thousand eight hundred and thirty-two personally appeared in open court before the Honorable John Reed Esq., President and his Associate Judges of the Court of Common Pleas at a court now holding in the Borough of Carlisle in and for the County of Cumberland aforesaid, Jacob Eyler, a resident of the Borough of Carlisle, in the County and State aforesaid aged eighty-five years on the twenty-fifth day of July last past, who being first duly sworn according to law, doth on his Oath make the following declaration in order to obtain the benefit of the Act of Congress passed the 4th day of June AD, 1832, vis - I was born on the 25th, July AD 1747 in the town of Sovernheim, in the Palatinate (now Kingdom of Pavaria) in Germany, from whence I imigrated to North America and arrived in the city of Philadelphia, in the month of September 1774 and resided there 'till some time in the beginning of the month of December 1776 when I volunteered as a Private, under a Captain Wills, in the first Battalion called the City Militia, commanded by Col. Morgan. Previous to this no malitia Law was passed nor at this time. The subaltern officers of our Company were Lieutenant Rees and Ensign Heil. On our arrival near Trenton, we remained in the shallups for several hours waiting for orders. When we landed on the Pennsylvania side and encamped in the woods opposite Trenton without tents (nor had we any during the whole campaign) where we remained for some time, then marched back to Bristol, where we remained until the 25th day of December 1776, on which day we attempted to cross the River Delaware, but were prevented by the ice! Until the following day when we crossed some short distance above Bristol and then marched to Burlington, where we were attached to Gen. Cadwallader's Brigade and next day marched to Bordentown from thence to Crosswicks, where our Company lodged in a Quaker Meeting house. Here we remained until in the night of the 20th, January 1777 when we marched to Trenton. Some short time after our arrival, the Enemy appeared. We were drawn up in order of battle when the cannonading commenced and lasted until evening. We then removed some short distance into a piece of woods, where we encamped and lighted our fires. About midnight we silently withdrew and marched to Princeton where we arrived some few hours after sunup. Here we met some of the British and had a considerable engagement in which we captured about three hundred prisoners from the Battle Ground. We marched through several towns and places (the names of which I cannot now remember) and in two days arrived in Morristown where we remained untill the expiration of the term of our service sometime in February, when at the special request of General Washington we remained in service upwards of three weeks longer than our full time and untill the reinforcements arrived and then we returned to Philadelphia.

I never received more than a verbal discharge from the officers and about four weeks after our return we were ordered to muster and were drawn up in a circle, when a letter from his Excellency General Washington was read thanking us for our service rendered to the country.

Some time in the month of March on April 1780, I do not recollect which, I was ordered out in the Eighth class of City Militia commanded by Captain Conrad Kush when I was again called on duty in and near the city of Philidelphia guarding prisoners and deserters and near the expiration of said term I was attacked with a violent fever of which I was confined between seven and eight weeks under the care of Dr. Alkenson, Physician of the Regiment. By reason of my removal from the City in the year 1784 to said Borough of Carlisle (where I have resided ever since), as also from the best information from time to time received an inquiry, I firmly believe that none of my officers or companions in arms are now living, that at the time I was out in service the first and second tour of duty and confined by sickness while in service as aforesaid

amounted in the whole to upwards of seven months.

I have no documenting evidence to prove my different terms of service nor do I know any person living who can testify to them.

The certificate here to annexed containing the names of persons to whom I am known and who certify to my character and to the credit my statements deserve.

I hereby relinquish every claim whatever to a pension or annuity except to the present and declare that my name is not on the Pension Roll of the agency of any state whatever.

State of Pennsylvania
Cumberland County, ss.

On this fifteenth day of August one thousand eight hundred and thirty two personally appeared in Open Court before the Honorable John Reed, Esq. President and his Associate Judges of the Court of Common pleas, at a court now holding in the Borough of Carlisle in and for the County of Cumberland aforesaid, Jacob Eyler, a Resident of the said Borough of Carlisle, in the County and State aforesaid aged eighty five years, on the twenty fifth day of July last past, who being first duly sworn according to Law, doth on his Oath make the following declaration in order to obtain the benefit of the act of Congress passed the 7th Day of June A.D 1832, viz, I was born on the 25th July A.D 1747 in the town of Sovernheim, in the Palatinate, now Kingdom of Bavaria in Germany, from whence I emigrated to North America, and arrived in the City of Philadelphia, in the Month of September 1774 and resided there till some time in the beginning of the Month of December 1776 — when I volunteered as a Private, under a Captain Wills, in the first Battalion Called the City Militia, Commanded by Col. Morgan — previous to this no Militia Law was passed nor at this time) the Subal=tern Officers of our Company were Lieutenant Rees and Ensign Heil, on our arrival near Trenton we remained in the Shallops for Several Hours, waiting for orders when we landed on the Pennsylvania side, and encamped in the woods opposite Trenton, without tents (nor had we any during the whole campaign) where we remained for some time, then marched back to Bristol, where we remained until the 25th day of December 1776, on which day we attempted to cross the River Delaware, but were prevented by the Ice, until the following day when we crossed some short distance above Bristol and then marched to Burlington, where we were attached to Gen. Cadwalladers Brigade, and next day marched to Bordentown, from thence to Crosswicks, where our Company lodged in a Quaker Meeting house, Here we remained until in the night of the 2d January 1777 when we marched to Trenton. Some short time after our arrival the Enemy appeared — We were drawn up in order of Battle, when the Cannonading Commenced and lasted until Evening, we then removed some short distance into a piece of Woods, where we encamped and lighted our fires, About Midnight we Silently withdrew and marched to Princeton where we arrived some few hours after Sun up here we met some of the British, and had a considerable engagement in which we Captured about three Hundred Prisoners, from the Battle Ground we marched through Several towns and places (the names of which I cannot now remember) and in two days after arrived in Morristown, where we remained until the expiration of the term of our Service some time in February, when at the Special request of General Washington was remained in Service upwards of three weeks longer than our full time and until the

the Reinforcements arrived, and then we returned to Philadelphia. I never received more than a Verbal discharge from the Officers, and about four weeks after our Return we were ordered to muster, and were drawn up in a Circle, when a letter from his Excellency General Washington was read thanking us for our Service rendered the Country.

Some time in the Month of March or April 1780 I do not recollect which; I was ordered out in the Eighth class of City Militia commanded by Captain Conrad Rush in which I was again called on duty in and near the City of Philadelphia Guarding Prisoners and deserters and near the Expiration of said term I was attacked with a Violent Fever of which I was confined between Seven and Eight Weeks under the Care of Doctor Atkinson Physician of the Regiment — By reason of my removal from the City in the year 1784 to said Borough of Carlisle, (where I have resided ever since) as also from the best information from time to time received on enquiry, I firmly believe that none of my Officers or Companions in Arms are now living, that at the time I was out in Service the first and second tour of Duty and confined by Sickness while in Service as aforesaid amounted in the whole to upwards of Seven months —

I have no Documentary Evidence to prove my different terms of Service nor do I know of any person living who can testify to them.

The Certificate here to annexed containing the names of Persons to whom I am known and who can testify to my character and to the credit my Statements deserve.

I hereby relinquish every claim whatever to a pension or annuity except the present and declare that my name is not on the Pension Roll of the agency of any State whatever —

Jacob Fritz

Sworn to and Subscribed the fifteenth day of August A.D. 1832 as aforesaid

FROM BRENDA HEATON

GEORGE W. BUSH

GOVERNOR OF TEXAS

October 6, 2000

Mr. Morgan B. Iler
Apartment 310
9804 Nicholas Street
Omaha, NE 68114

Dear Mr. Iler:

The next 30 days are critical. America can move ahead with our agenda of education reform, tax cuts, Social Security reform, individual opportunity and common-sense reform, or remain mired in old-style politics of division, resentment and class envy. November 7 is a day of decision and an opportunity.

I know you appreciate this election's importance, because of your generous support for our Party. With your help, we've waged a positive, issue-oriented campaign.

From Social Security to education to national defense, we've dominated the issue debate and moved the voters in our direction.

We cannot take victory for granted.

Our opposition is formidable and well-funded. Control of Congress and state legislatures are at stake. Many of these races are extremely close. To win, we need to act today.

Mr. Iler, we need strong leadership to end partisan bickering and special interest gridlock. We need strong GOP leadership in states to lead on education and fighting crime and creating an economic climate for jobs.

Leading our campaign on each of these fronts is the Republican National Committee. I hope you will join me in supporting the RNC's Victory 2000 effort today.

I've enclosed a prepaid Federal Express Envelope for your reply because time and every dollar counts. Please use it to rush the most generous contribution you can afford -- $50, $75, $100 or more if you can - to the RNC today.

Just make your check payable to RNC/Victory 2000, insert it in the Federal Express Envelope, call 1-800-GO-FEDEX (1-800-463-3339) and press the *(star) key to schedule an immediate free pickup.

Your support will help the RNC fund intensive, last-minute advertising and get-out-the-vote programs in key districts and states where this election will be decided.

I can't overstate the importance of this request.

Big Labor will throw hundreds of professional organizers and millions of compulsory dues dollars into these same races.

Personal injury lawyers and Liberal special interests are adding millions more to fund Democrat attack ads.

On our side, only the RNC has the ability to rush national resources where they are needed most. That's why your immediate contribution is so important.

Mr. Iler, we're on the right side of the issues. But we need funds to cut through the blizzard of attack ads and carry our message to the American people.

We have one month left. Please help as generously as you can.

On behalf of the Republican candidates at all levels, thank you for your continuing commitment to our Party and country.

Sincerely,

George W. Bush

P.S. Mr. Iler, this may be the last time I will be able to write you before Election Day. We have one month left to affect the outcome. Please don't delay.

The most important thing you can do TODAY to elect more Republicans at all levels is to rush your contribution for $50, $75, $100 or whatever you can afford to RNC/Victory 2000 in the Federal Express Envelope I've provided. Call 1-800-GO-FEDEX (1-800-463-3339) to schedule an immediate pickup. Thank you.
